

CALL FOR PAPERS/PRESENTATIONS

Small Powertrain and Energy Systems Technology Conference

October 31-November 2, 2023 | Minneapolis, Minnesota, USA

SAE is pleased to announce the 27th Small Powertrains and Energy Systems Technology Conference (SETC2023). The conference is jointly sponsored by JSAE and SAE International. SAE is asking you to share your experience and knowledge on small powertrain applications by submitting an abstract for the SETC2023.

Topics Under Consideration

- Advanced Combustion
- Renewable Energy and Alternative Fuels
- Collegiate Event
- Diesel Engine
- Emission and Environmental Impacts
- Engine Components and Fuel Supply Systems
- Powertrain Controls
- Engine Technology
- Hybrid and Electric Drives
- Lubricants and Tribology
- Materials and Manufacturing
- Measurement and Simulation
- NVH Technology
- Two Stroke Engine
- Vehicle Dynamics and Safety
- Vehicle Components
- Small and Micro Combined Heat and Power (CHP) Systems
- Student Paper Competition
- New Product Technology (Oral Only)
- Data-Driven Digitalization (new for 2023!)

Abstracts must be submitted online via website page to only ONE session. Offered papers shall not have been previously published; and if accepted, contributors will not release their paper for publication through other media.

- Paper acceptance will be based on organizer moderated peer review of a review ready manuscript.
- Refer to the author resources site at volunteers.sae.org/authors.htm for other useful information in preparing your paper.
- Portal for submission of abstracts will be open on **November 3, 2022**
- Deadline for submitting paper offers **March 28, 2023**
- Review Ready Manuscripts due to session organizers **May 9, 2023**
- Final Manuscripts and copyright assignments due to SAE **September 5, 2023**
- Authors will be charged a nominal registration fee for colloquium attendance.
